

## Experience

**CEO / Designer & Developer** 2021-2022  
Lumen World, San Francisco

Founded a company producing the first-ever augmented reality flashlight oriented for group AR experiences

**Interaction Design Lead** 2020-2021  
Laerdal Medical, Copenhagen

Lead design and shipped a neo-natal resuscitation physical/digital training course for hospitals globally

**Freelance Interaction Design Lead** 2020

Designed COVID testing robots, a social platform for NFTs, a web-based AI powered fish tracking application

**Senior Interaction Designer** 2018-2020  
IDEO, San Francisco

Worked on digital interfaces / services across industries such as restaurants, mobility, education, and health

**Developer, Designer, & Co-founder** 2015-2016  
Studio Hütte, Oakland

Started a small design studio with 3 collaborators focused primarily on web design and identity work

## Skills

### Interaction Design

Design thinking & concepting, wireframing, rapid prototyping, physical computing, video prototyping, GUI (app/web/projection/embedded hardware), design research

### Programming

JS, HTML/CSS, Unity/ARKit, Node, Python, p5.js, openFrameworks, Processing, Arduino

### Tools

Figma, Framer, Webflow, Premeire, After Effects, Photoshop, Illustrator, Indesign

## Education

**Masters in Interaction Design** 2017

Copenhagen institute of interaction design (CIID)

**BA in Computer Science** 2013

University California, Berkeley

## Workshops Attended

**School for Poetic Computation** 2016

**Machines, Making, and Make Believe** 2016

## Teaching

**CCA Prototyping — MDes (coming soon)** 2023

Semester long course teaching prototyping to IxD master students

**CIID Machine Learning** 2021

1-week course teaching designers machine learning

**CIID Programming** 2019

2-week course teaching designers to code

**IDEO Machine Learning** 2019

2-day workshop introducing designers to machine learning

**CCA Tools — Graphic Design** 2018

Semester long course teaching graphic designers core tools

## Exhibitions and Awards

Core 77 (Notable Honor), Dubai Design Week (UAE), Museo Marino Marini (IT), Exploratorium After Dark(SF), Codame Intersections(SF), Art+Tech Days(Slovakia), Hackerfaire(Copenhagen), Tech Festival(Copenhagen)
